Subject: EPA request for information to ERS
..Extension Request

Dear Brooke,

Further to our conversation of today,
I would like to
request an extension to our reply on the EPA's
request for information.

Due to the up-coming holiday season
some key staff are
already on or about to go on vacation while most
others will be off from
December 23rd to January 3rd. I myself will be away
on holidays in
Florida from Dec 26th until January 23.

I therefore would respectfully
request an extension, if
possible, until January 31 2012.

Thank you so much in advance and I hope you have a
wonderful Holiday
Season

Jim Lennox
